

Panhandle Health District I

Environmental Health Fee Schedule and Description

Sewage Systems	
<p><input type="checkbox"/> Subsurface Sewage Permit- New</p> <ul style="list-style-type: none"> • A permit is required for new systems or a new location of an *approved system. • A review of soil types is made at the proposed installation location of the septic system. • Sizing of the drainfield and septic tank is determined. • Permit approval depends on the following: the predicted maximum daily sewage flow; house size and location; well / spring location; surface water locations; depth to groundwater on limiting layers; changes to native soil (road cuts, grading, benching); distance to neighboring structures (wells, buildings, drainfields); proposed land use; soil type; other issues of concern. • The permit to construct a septic system is not granted until all such issues are addressed and / or submitted in writing as part of the plot plan / permit application and found to be consistent with current regulations. • Permit applications are for 1 year (No Renewal). • Septic Permits are valid one (1) year from date of issuance. • No partial refund is made if fieldwork is done but a permit cannot be approved. 	\$950
<p><input type="checkbox"/> Individual System Permit – Expansion</p> <ul style="list-style-type: none"> • For projects with an increase in flow that requires the *approved drainfield to be expanded greater than 10%, which may include a new septic tank. Must be able to meet current standards. 	\$400
<p><input type="checkbox"/> Repair Permit</p> <ul style="list-style-type: none"> • Replacement of a failing system or relocation of an **existing system, which may include a new septic tank. 	\$300
<p><input type="checkbox"/> Septic Tank, Vault Privy, Pit Privy, Grey Water Sump, Incinerator Toilet, or Composting Toilet Permit.</p>	\$250
<p><input type="checkbox"/> Permit Renewal</p> <ul style="list-style-type: none"> • 1 year renewal (extends permit for an additional year from original issuance date). 	\$100

Central / Large Soil Absorption System	
<input type="checkbox"/> Central / Large Soil Absorption System Review <ul style="list-style-type: none"> Review of data providing estimated wastewater flow volume. 	\$150
<input type="checkbox"/> Permit <ul style="list-style-type: none"> Panhandle Health will confirm wastewater flow prior to fee acceptance. Parcels to be served will be identified and any required easements will be in place prior to issuance of permit. If residential, tank permits for each future dwelling will be needed prior to hook-up. 	\$2.50 per gallon of design daily flow
<input type="checkbox"/> Repair Permit <ul style="list-style-type: none"> Replacement of a <i>failing</i> system. 	\$400
Planning and Zoning Review	
<input type="checkbox"/> All Building Permit Reviews	\$75
Land Development	
<input type="checkbox"/> Subdivision served by Municipal Services:	\$250
<input type="checkbox"/> Subdivision served by individual on-site sewage disposal systems: <ul style="list-style-type: none"> The fee for one lot with an *approved or **existing septic system will be waived. 	\$390 Per lot
Mortgage Survey	
<input type="checkbox"/> Mortgage Survey <ul style="list-style-type: none"> Inspection of Sewage System & Water System: Water Sample Only: Repeat Inspection: Drinking Water Sample Lab Fee: 	\$127 \$75 \$50 Cost of Test
Critical Materials Fees	
<input type="checkbox"/> Commercial/Industrial App. Review	\$75
<input type="checkbox"/> Secondary Containment Plan Review	\$200
<input type="checkbox"/> Biennial Inspection <ul style="list-style-type: none"> Standard facility: Retail facility: 	\$225 \$100

Shallow Injection Wells	
<input type="checkbox"/> Per Well Fee (NOTE - <i>Roof drains are no longer exempt</i>): <ul style="list-style-type: none"> Governmental Road Projects are exempt from Fees (Must still register) 	\$75
Foods Permits	
<input type="checkbox"/> Plan Review (New or Remodel)	\$100
<input type="checkbox"/> Food Establishment (1-2 licensed divisions or departments under one roof and under common ownership)	\$125
<input type="checkbox"/> Food Establishment (3 or more licensed divisions or departments under one roof and under common ownership)	\$150
<input type="checkbox"/> Intermittent (Agriculture Markets)	\$65
<input type="checkbox"/> Temporary Events <ul style="list-style-type: none"> No commissary required if fully self-contained or using a licensed food establishment for commissary. 	\$65
<input type="checkbox"/> Mobile <ul style="list-style-type: none"> Fully self-contained or using a licensed food establishment for commissary: \$65 Using an unlicensed food establishment for commissary: \$85 Each Additional Mobile (same ownership/same commissary): \$65 	
<input type="checkbox"/> Second School Food Inspection / aka USDA Inspection:	\$100
<input type="checkbox"/> ServSafe Food Safety Training	\$125
Swimming Pools	
<input type="checkbox"/> Annual Public Swimming Pool Permit:	\$50
<input type="checkbox"/> Annual Non-Public Swimming Pool Consultation:	\$200
<input type="checkbox"/> Swimming Pool Plan Reviews:	\$100
