## **Panhandle Health District Case Count of COVID-19**

The Panhandle Health District (PHD) announces the total number of cases of COVID-19 is 65 in the Panhandle area. Sixty-one of the cases are in Kootenai County and four in Bonner County. Details on new cases will be posted on the PHD website page in real time: [www.panhandlehealthdistrict.org/covid-19/](http://www.panhandlehealthdistrict.org/covid-19/).

Moving forward, PHD will update their Facebook page and website at noon daily with new confirmed cases and details. We will only send a press release when a county confirms their first case or in the event of a death due to COVID-19 in any of the counties we serve.

**Panhandle Health District** provides over 40 different public health programs to families, individuals and organizations in northern Idaho. From food and drinking water safety to health education and disease control, public health services are critical to ensure our community is a safe and healthy place to live, work and play.

The PHD team is made up of nurses, nutritionists, environmental health specialists, health educators and many other dedicated professionals with a common goal to deliver vital public health services.

Panhandle Health District is one of seven health districts in the state of Idaho.
