The public is invited to provide input regarding district related issues that are included on the current agenda. Prior to commenting, we ask that you fill out a public comment form that will be available at the meeting. These forms will include your name and you will be called to the podium when it is your turn to make your comment.

Obstructive behavior will not be tolerated. Protest signs are allowed outside, but will not be allowed inside the meeting room or building. Entrances and exits will be clearly marked for the public's convenience and we ask that everyone behave with courtesy.

Capacity signs will be posted. Capacity of the room with proper physical distancing will be approximately 35 individuals. After making a public comment, we ask that you exit in order to allow others into the meeting to make their public comment.
